

4. What expertise/experience level (e.g., new to HF/E, some experience, advanced professional) should attendees have to take best advantage of the presentation?

5. Please provide a 200-word bio, including your experience in the area you will be presenting.

6. If your webinar would be of interest to professionals in related fields, please specify those professions and, if known, the associations of which these professionals are likely to be members.

7. Please provide a color photo (head and shoulders).
